

KENNEL PRO

Satisfaction

FOR ADULT DOGS WITH A NORMAL OR AVERAGE LEVEL OF ACTIVITY

SATISFACTION KENNEL PRO is the perfect diet for adult dogs with a normal or average level of activity. It is specially formulated to provide a healthy, nutritious and balanced diet throughout the full life of companion dogs, show dogs and working dogs.

Benefits

Additional vitamin E enhances heart performance, stamina and vitality, while preventing clots.

The chicken fat is rich in linoleic acid for healthy skin and a glossy coat. Optimal copper, vitamin A and tocopherol content.

Vitamin complex that strengthens the immune system.

Ideal balance between protein and fat, according to estimated consumption. The mix of protein and highly digestible fat reduces the amount of food that needs to be consumed, while providing ideal levels of vitamin A and tocopherols.

Ingredients

Dehydrated lamb proteins (min. 16%), rice (min. 14%), corn, dehydrated poultry proteins, corn gluten, oils and fats, beet pulp, liver hydrolysate, vitamins and minerals.
