

Performance

FOR ACTIVE ADULT DOGS

SATISFACTION PERFORMANCE is specially formulated for adult dogs that are very active, such as working, hunting, sled or show dogs and dogs that are subjected to prolonged stress (lactating bitches). With its high content of fresh chicken and rice, it is ideal for a healthy, nutritious and balanced diet, maintaining muscles, bone structure and coat in perfect condition and improving the digestive process.

Benefits

-It is very important that dogs grow without any excess weight to avoid potential obesity in the future. The L-Carnitine helps to convert fat into energy, avoiding any potential build-up of fat.

-It contains Biotin (Vitamin H) to keep your dog's coat shiny and healthy.

-The Taurine helps to ensure a healthy heart and good vision.

- The Yucca extract significantly reduces the smell of the dog's faeces.

-The Bioflavonoids, cellular antioxidants (vitamins C and E) that come from citrus fruits, encourage the development of a strong and healthy immune system.
