

Light

FOR OVERWEIGHT DOGS

SATISFACTION LIGHT is ideal for dogs with excess weight. The ingredients in this product, fresh chicken and rice, provide a healthy, nutritious and balanced diet.

Benefits

-It is very important that dogs grow without any excess weight to avoid potential obesity in the future. The L-Carnitine helps to convert fat into energy, avoiding any potential build-up of fat.

-High in fibre and proteins but low in calories, it is ideal for controlling and lowering your dog's weight.

-The Taurine helps to ensure a healthy heart and good vision.

-With a high content of fresh chicken and rice, ingredients that are highly digestible and appetising, it is the ideal food for a healthy diet.

-The Bioflavonoids, cellular antioxidants (vitamins C and E) that come from citrus fruits, encourage the development of a strong and healthy immune system.

Ingredients

Rice (39%), dehydrated chicken proteins, fresh chicken (min. 10%), corn gluten, beet pulp, chicken fat, brewer's yeast, liver hydrolysate, dried whole egg, dicalcium phosphate, citrus extracts rich in bioflavonoids (0.00049%), glucosamine (0.004%), Yucca schidigera extract, chondroitin sulphate (0.004%), vitamins and minerals.
