

Puppy Mini

FOR SMALL-BREED PUPPIES

Specially formulated for small-breed puppies (1.5 to 10 kg adult weight). During the growing period, nutritional needs vary not only with different sized breeds but also with age. This is why we have created **SATISFACTION PUPPY**, which is high in protein (20% fresh chicken) and energy (chicken fat and rice), and provides a balanced amount of calcium and phosphorus. The Puppy Mini kibbles are small enough for tiny jaws, but still large enough to encourage chewing.

Benefits

-It is very important that dogs grow without any excess weight to avoid potential obesity in the future. The **L-Carnitine** helps to convert fat into energy, avoiding any potential build-up of fat.

-The **high protein and energy content** is essential for the faster growth rate of small breeds, which reach adult size in just 6 months.

- The **Yucca** extract significantly reduces the smell of the dog's faeces.

-The **Taurine** helps to ensure a healthy heart and good vision.

-The **Bioflavonoids**, cellular antioxidants (vitamins C and E) that come from citrus fruits, encourage the development of a strong and healthy immune system.

Ingredients

Dehydrated poultry proteins, fresh chicken (20%), rice (20%), corn gluten, poultry fat, brown rice, beet pulp, brewer's yeast, hydrolysed animal proteins, sunflower oil, mineral substances, citrus extracts source of bioflavonoids (0.15%).

Average analysis

Protein: 31%, Fat content: 21%, Crude fibres: 1.8%, Inorganic matter: 7%.

Nutritional additives:

Vitamin A: 21,260 IU; Vitamin D₃: 1,945 IU; Vitamin E: 142 mg; Biotin: 0.24 mg; Cupric Sulphate, pentahydrate: 57 mg (Cu: 14 mg); Ferrous sulphate, monohydrate: 768 mg (Fe: 230 mg); Calcium iodate, anhydrous 4.58 mg (I: 2.8 mg); Manganese oxide: 175 mg (Mn: 105 mg); Zinc oxide: 272 mg (Zn: 196 mg); Sodium selenite 0.71 mg (Se: 0.32 mg); Taurine: 1,000 mg; L-Carnitine: 50 mg; Yucca schidigera extract: 250 mg.
