

Addiction Chicken & Rice

Complete food for adult cats.

Full, balanced **superpremium** diet for adult cats, made using ingredients of the highest quality and with high levels of animal protein to give it an unbeatable taste. Low in magnesium to help keeping the urinary tract healthy. Formulated by veterinary nutritionists with **rice** as the sole source of cereals and with a large content of **fresh chicken meat** (22 %), we have created a highly digestible, quality food, contributing thus the essential benefits that your cat needs to enjoy a long and health life.

Benefits

- Vitamin complex that strengthens the immune system, digestive care and conditioner for skin and coat.

- With cellulose that reduces the formation of fur balls.

- The high digestibility and quality of its ingredients contribute to maintain your cat healthy.

- Rich in minerals and fibre that help keep teeth clean.

- Taurine contributes to a proper functioning of the heart and correct vision.
